THE INDUSTRIAL AND AGRICULTURAL EXHIBITION, CALCUTTA, 1906.

RULES AND REGULATIONS.

1. Articles of indigenous art or manufacture, as well as natural, mineral or agricultural products from any part of India, and adjacent British Possessions, will, as a rule, be accepted for the Exhibition. Implements or machines of foreign manufacture, which, in the opinion of the Exhibition Authorities, are likely to promote or develop Indian industries, will also be accepted.

2. No explosives or any substance which, in the opinion of the Exhibition Authorities, is noxious or dangerous, will be admitted.

3. Intending Exhibitors should refer to the printed lists, attached herewith, of the sections and divisions into which it is intended to classify the Exhibits. The classified list is meant only to serve for general guidance, and will not prevent Exhibitors from sending articles not specifically enumerated therein. Such articles will, however, be admitted at the discretion of the Exhibition Authorities.

4. Works of art and articles of special merit, including those of antiquarian interest, will be thankfully received from gentlemen who do not aim at any commercial advantage or benefit. All arrangements for the display of the exhibits lent will be made by the Exhibition Authorities at their own expense.

Gentlemen, desirous of sending Exhibits on loan should write to the effect, giving all the necessary particulars about their Exhibits, to the Secretaries, who will inform them of the acceptance of their offer and make with them all the necessary arrangements in connection with the exhibition of the offered articles.

5 Applications for space in the Exhibition *Pandal* specifying the space that will be required, should be made at once in the form annexed and should be accompanied by a fee of Rs. 5.

(It will be left to the option of the Exhibition Authorities to reduce or remit the above-mentioned fee in such cases as they think fit.)

6. Intending Exhibitors are requested to send in to the Secretaries, as soon as possible, a list of their proposed exhibits, in the printed form attached herewith. These lists should reach the Secretaries *at the latest by the* 15th of October.

7. Exhibitors are requested to mention in their application whether they intend to *illustrate practically* the process of their manufacture, and, if so, to describe the nature of the demonstration. Steam or any other power required may be supplied by the Exhibition Authorities, if there is sufficient demand, on such terms as may be agreed upon.

8. The Exhibition Authorities will inform the applicants whether they are registered as Exhibitors and will state the number allotted to them.

9. Each Registered Exhibitor will be allowed a covered space of 5 ft. by 5 ft. free of charge, in each section but additional covered space may be obtained, subject to a minimum charge of 8 annas per square foot.

10. Exhibitors may obtain, on such special terms as may be agreed upon, open space for the exhibition or practical demonstration of machinery, etc. They will be allowed to erect the necessary structures at their own expense but according to plans approved of by the Exhibition Authorities.

11. The Exhibition Authorities will have absolute discretion as regards the acceptance or rejection of Exhibits and the allotment of space, covered or uncovered.

12. Exhibits will be received, from the 15th of November 1906 to the 1st of December 1906. They may be sent by Railway or Steamer as "Parcel" or "Goods," or through Post, or may be delivered personally, or through agents between the hours of 10 A.M., and 4 P.M., at the above address or at the exhibition grounds and to authorised persons who will be in attendance there. Receipts will be granted for the articles so delivered. In case of goods forwarded by Railway, Steamer or Post, the freight must be prepaid and the parcels preferably insured. Exhibits forwarded "unpaid" will be refused.

13. All packages received or delivered must bear a label on the upper covering specifying the name and number of the Exhibitor, and addressed to the Honorary Secretary. They must contain inside a list in duplicate with all particulars required under Rule 19 in regard to the Exhibits in the package. This list will be compared with the previous list submitted by the Exhibitor along with his application and a formal receipt will be given to the Exhibitor for the articles found in good condition.

14. Exhibitors failing to send their goods and appropriate the space allotted to them by the 1st of December 1906, shall forfeit all right to exhibit, and shall not receive any refund of the payments made by them. No refund also will be given for occupying less space than that applied and paid for and allotted; and the unoccupied space will be disposed of as the Exhibition Authorities deem fit.

HASSAN.

8. Market sufficiently well supplied.

9. In the Channarayapatna Taluk land is being prepared for sowing Bengal gram and coriander. Sugar-cane is being harvested in the said taluk. Standing crops are in good condition in all the taluks, except chillies in Arsikere Taluk and kulthi in Hole-Narsipur Taluk where excessive rain has damaged them to some extent.

10. Prospects are very encouraging. Food stocks are available.

11. Public health generally good. But small-pox is still prevalent in parts of Manjarabad Taluk and plague prevails in Hassan and Belur towns and in a few villages of Belur Taluk and in Chikkamattighatta, Channarayapatna Taluk.

12. Cattle are healthy. Water and pasturage are available.

SHIMOGA.

8. Market well supplied.

9. Standing crops are in good condition in all the taluks. The rainfall in the Shikarpur Taluk during the week has been beneficial to the standing crops. More rain is wanted for the wet crops in some portions of the Shikarpur and Sorab Taluks. Cholum in some portions of the Channagiri Taluk Green gram, sessamum and ragi in the Honnali Taluk; sessamum in the Shimoga Taluk; ragi in the Sorab Taluk; and arecanut in some portions of the Sorab, Sagar and Tirthahalli Taluks are being harvested. The estimate of the paddy crop for the Tirthahalli Taluk is 12 annas.

10. Prospects of the season are fair. Food stocks are enough for the present.

11. Public health is generally good, but for the prevalence of small-pox in a few villages of the Sagar Taluk.

12. Pasture and fodder are available. Cattle are healthy.

KADUR.

8. Market fairly well supplied, except in the Chikmagalur and Mudgere markets where the supply is poor owing to plague.

9. The standing crops of paddy and ragi in Mudgere; paddy, arecanut, sugarcane, coffee, cardamom and pepper in Koppa; paddy, sugar, ragi, wheat, cholam, horse gram and castor in Tarikere; paddy, ragi, cholam, sugarcane, ballar, horsegram, wheat and castor in Kadur; sugarcane, paddy, ragi, horse gram, ballar, togari and gingelly in Chikmagalur are in good condition. Cholam in parts of Kadur; coriander and gingelly in parts of Tarikere and cardamom and ragi in parts of Mudgere are being harvested. The probable outturn of arecanut in Sringeri is 12 annas.

10. Prospects of the season good. Food stocks available and sufficient.

11. Public health generally good, except for small-pox in Koppa and plague in parts of Mudgere and Chikmagalur towns and in a few villages of the Chikmagalur Taluk.

12. Cattle generally healthy. Water and pasture available throughout.

CHITALDRUG.

8. Market well supplied.

9. Standing crops are in good condition throughout the district.

Seeds sown.—Horse gram in Challakere and Molakalmuru Taluks; Bengal gram in Holalkere and Molakalmuru Taluks; bilijola in the Holalkere, Davangere and Jagalur Taluks; cotton and wheat in Molakalmuru Taluk.

Crops harvested.—Jola in the Chitaldrug, Challakere, Hiriyur, Holalkere, Jagalur and Molakalmuru Taluks (yield from 4 to 12 annas); sugarcane in the Chitaldrug Taluk (yield 4 annas); sessamum in the Chitaldrug, Challakere, Hiriyur, Holalkere, Davangere, Jagalur and Molakalmuru Taluks (yield from 2 to 12 annas); black gram in the Chitaldrug Taluk (yield from 2 to 8 annas); navane in the Davangere, Jagalur and Molakalmuru Taluks (yield from 8 to 12 annas).

10. Prospects of the season good. Food stocks available.

11. Public health good.

12. Cattle healthy. Fodder and water available.

BANGALORE,
25th October 1906.

P. G. D'SOUZA,
for *Secy. to the Govt. of H. H. the Maharaja of Mysore, Gen. & Rev. Depts.*
